

## Executive Bio

**Marilyn Bown, B.Com., CPA, CGA**  
Chief Financial Officer

Having a natural flair in numbers, Marilyn Bown keeps our books in the black.

In 2008, she was recruited from Belanger Clarke Follett McGettigan to fill the Corporate Accountant position. Marilyn progressively increased her responsibilities and contribution to Quorum, which earned her a promotion as Controller.

Marilyn is now Quorum's Chief Financial Office and leads the Corporate department at Quorum. She overlooks all aspects of accounting, financial reporting, procurement and government relations.

Five years prior to joining Quorum, Marilyn received her Bachelor of Commerce (Co-operative) degree from Memorial University of Newfoundland and Labrador in Canada. She then received her Certified General Accountant Designation in 2008.

Marilyn works out of Quorum's largest office in St. John's, Newfoundland.
